

Minutes of the State Advisory Group held on 20.10.2014 at 11.00 AM in the office of and under the Chairmanship of APCCF, Regional Office, MOEF&CC, Lucknow .

765 KVSC Allahabad Jhusi to Unnao transmission line in Allahabad Pratapgarh , Unnao &, Raibareilly, Districts.

The proposal involves construction of a 765 KV transmission line involving 13.1401ha. (3.9945 ha. in Unnao Division & 7.488ha. in Raibareilly Division and 0.16 ha. in pratapgarh Division and 1.4976 ha. in Allahabad Division). As desired in the last SAG which was held on 30.05.2014, the proposal has been revised and the area proposed for diversion has thus increased from 10.9311 ha. to 13.1401 ha. The required documents have been submitted. The SAG thus recommends the proposal subject to submission of the annexures of FRA Certificate (Sub Divisional Committee and District Level Committee) as mentioned in the FRA Certificate of the District Magistrate

Minutes of the State Advisory Group held on 20.10.2014 at 11.00 AM in the office of and under the Chairmanship of APCCF, Regional Office, MOEF&CC, Lucknow .

400 KV D/C Bareilly Kashipur Transmission Line

The proposal involves construction of a 400 KV D/C transmission line involving 25.8658 ha. (0.6348 ha. PF and 25.0746 ha. RF in Rampur Division and 0.1564 ha. PF in Bareilly Division). The proposal was discussed in detail and it was observed by the SAG that the proposal is complete in all respects except that the FRA certificate in respect of Bareilly Division is not in order. The SAG thus recommends the proposal subject to submission of the FRA Certificate issued by the District Magistrate in proper format.
