63/c

Minutes of the meeting held in Regional Office (Central), Ministry of Environment & Forests at Lucknow on 08.11.2011.

Construction of road from Km. 0.250 to Km 7.950 on right bank of Hindon Cut Canal.

The proposal for diversion of 6.468 ha of protected forest for construction of road from Km 0.250 to Km 7.950 on the right bank of Hindon Cut Canal was discussed in SAG meeting on 8.11.2011. The proposed road is having all very good embankment plantations all along the proposed area which is provably one of the few green patches available in Ghaziabad. There is already existing road on the left bank of the Hindon Cut Canal and on right side of the proposed road there is another road parallel to the proposed road. In this work 4710 trees are proposed for felling. The SAG after deliberation is of view that the proposed road is not required as there are already number of roads existing in the area which is sufficing the need of traffic. SAG does not recommend the proposal for approval under Forest (Conservation) Act.
